30 AUGUST 2022

Following MCCY's (Culture, Community and Youth) instructions dated 25 August, with effect from **29 August**, mask-wearing is no longer required for all religious gathering less than 500 people. All attendees are allowed to sing, eat and drink without mask.

We thank God for gracing our land with safety and security. Nonetheless, let us be mindful to carry out our social responsibilities with the love of God, and be caring towards the weak. Wear a mask when you are a close contact or when you are not feeling well. Refrain from leaving home when you have a fever.

Thus the Lord has removed one last obstacle of the pandemic for His church to execute the Great Commission. So let us rejoice and be glad as we prepare the October Gospel Rally, be proactive to invite the lost souls that God has placed in our life to the rally.
